Dear Sir/ Madam

I am writing to acknowledge receipt of your email dated 25th April 2024 requesting information under the Freedom of Information Act (2000) regarding abortion complications.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Please provide the total number of patients in which their treatment was coded as 'Pregnancy with abortive outcome' using one of the following ranges: O030-O39 Spontaneous abortion, O040-O049 Medical abortion, or O070-O079 Failed attempted abortion – I have included a full set of the required ICD-10 codes at the bottom of this request.

For each individual code, as noted below, I would like the totals for each twelve-months period from 01 January 2017 to 31 December 2023. My preference is the totals in each calendar year, Jan-Dec, but understand if you are only able to provide this in your chosen financial years, e.g., April – March, in which case from 01 April 2016 to 31 March 2024.

I would like receive the data in an Excel format, if that is possible please.
